

Flight Dispatch & Airline Operations

The Aircraft Dispatcher also known as Flight Dispatcher, Flight Operations Officer, or Ground Captain is one of the best paid and exciting jobs in the aviation industry. Every airline requires aircraft dispatchers just as much as pilots for flight operations. With an Aircraft Dispatcher Certificate, the career opportunities open up worldwide!

An Aircraft Dispatcher is required to have the same level of knowledge as an Airline Captain.

Our course offers you an accelerated training program to get you to the same knowledge level as an airline captain. This course requires dedication, commitment, and 100% attendance.

The following job opportunities are available on course completion with pay scales ranging from 50,000 INR to 1,25,000 INR

1. Basic / Assistant Flight Dispatcher
2. Passenger Services
3. Dispatch Control (Operations)
4. Ramp Handling
5. Catering & Aircraft Presentations
6. Cargo Ground Handling
7. Duty Officer
8. Junior Executive Flight Operations

Course Fee
2,00,000 INR
